Key Outcomes

With the help of this MBA with Project Management, you will gain vital business know-how and abilities for evaluating an organisation's situation and planning for its ongoing growth.

You will acquire the skills to create business cases for change initiatives, learn how to manage the resources and risks involved with these projects, and develop your capacity to successfully end projects.

Since you can continue working and advancing your career while integrating learning within your existing responsibilities owing to its flexibility future. In the capstone module, you will examine either a project or an aspect of a project from a best practice perspective and in this way increase your knowledge of this much sought-after area. This MBA program is validated and awarded by the Abertay University UK. The MBA Program has three semesters. The first year is with OTHM which is Level 7 in Project Management and the 3rd semester is MBA (top-Up) with UK University.

Testimonial

From the research I carried out on the internet I noticed that amongst the various universities in Europe and Spain in particular I have come to realize that C3S Business School in Barcelona meets my desires aspirations. First of all the tuition fee is affordable and also because of flexibility teaching methods and a well trained faculty staff. To summarize it all C3S Business School is a place to be and I believe is a place where all my dreams will come to reality
