Key Outcomes

The objective of the OTHM Level 5 Diploma in Information Technology is to provide learners with an excellent foundation for a career in a range of organisations. It designed to ensure that each learner is 'business ready': a confident, independent thinker with a detailed knowledge of Information Technology, and equipped with the skills to adapt rapidly to change.

The qualification is ideal for those who have started, or are planning to move into, a career in private or public sector business. Successful completion of the Level 5 Diploma in Information Technology will provide learners with the opportunity to progress to further study or employment.

Testimonial

Hi I'm Raveen Ahamed from Sri Lanka. I came to Spain for my Bachelors program in Tourism & Hospitality Management at C3S Business School here in Barcelona, a college which supports their students without a doubt. Also I have to mention that this is the perfect college to pursue the higher studies if you expect a brighter future. Thank you C3S for having me - **Raveen Ahamed**

My name is Quadri oladipupo paul am from Nigeria Lagos , I had about c3s on Instagram with what I saw I was happy and decided go join the school, now am in c3s in Spain Barcelona . Thanks - **Quadri Oladipupo**

C3S Business School caught my attention when I was considering studying abroad in Spain. Because of covid, I had to drop my plans to study in 2020 then I began my journey for Spain again in 2021. I am heading to C3S Business School for Level 4 Professional Diploma in Tourism and Hospitality Management. I highly recommend C3S Business School as it is best business school in Spain. - **Sandeep Keshwala**
